A Week To Remember

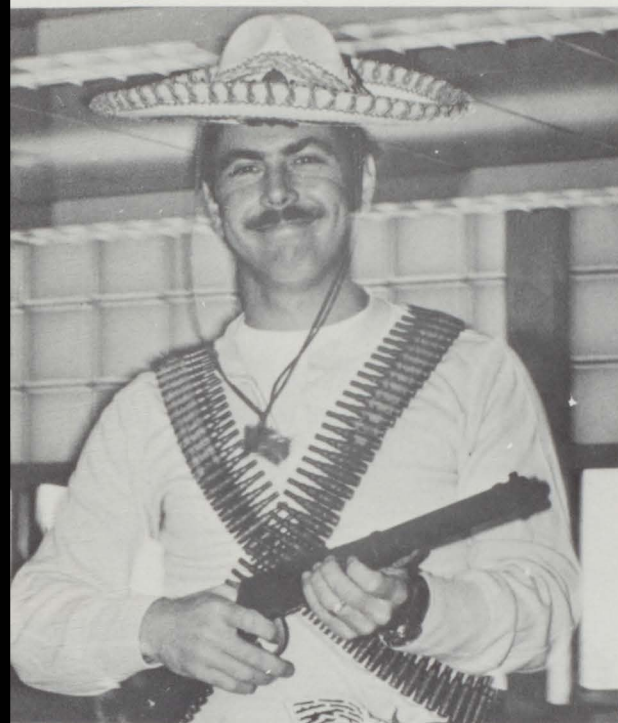

This year's spirit week was one to remember. Students and faculty participation in spirit week made it memorable. Having class competition brought the classes closer together so it seemed as if there was hardly any age difference between them. Even the freshmen were getting more involved and fought for a chance to beat out the upper classmen.

TOP LEFT: Dave Berra shows his school spirit on Sixties Day. TOP RIGHT: Mary Moser, Joan Driggers, Robin Haas, and Lynn Ludy join in the fun when they dress as "Kiss". Awaited Moments Of Homecoming

I would like to thank the students and Faculty for their cooperation during spirit week and Homecoming. Thank you again, Patsy Chapman.

Student Journalists At Work

Yearbook, with only 6 veterans, had been at quite a loss until the new advisor, editor, and Betty Uxa pulled all of the new students through advertising and the first deadline. The Bicentennial was chosen for the theme for the yearbook, workshops were held, and many after hours were spent trying to make this year's yearbook different, new, and interesting.

Student Journalists At Work

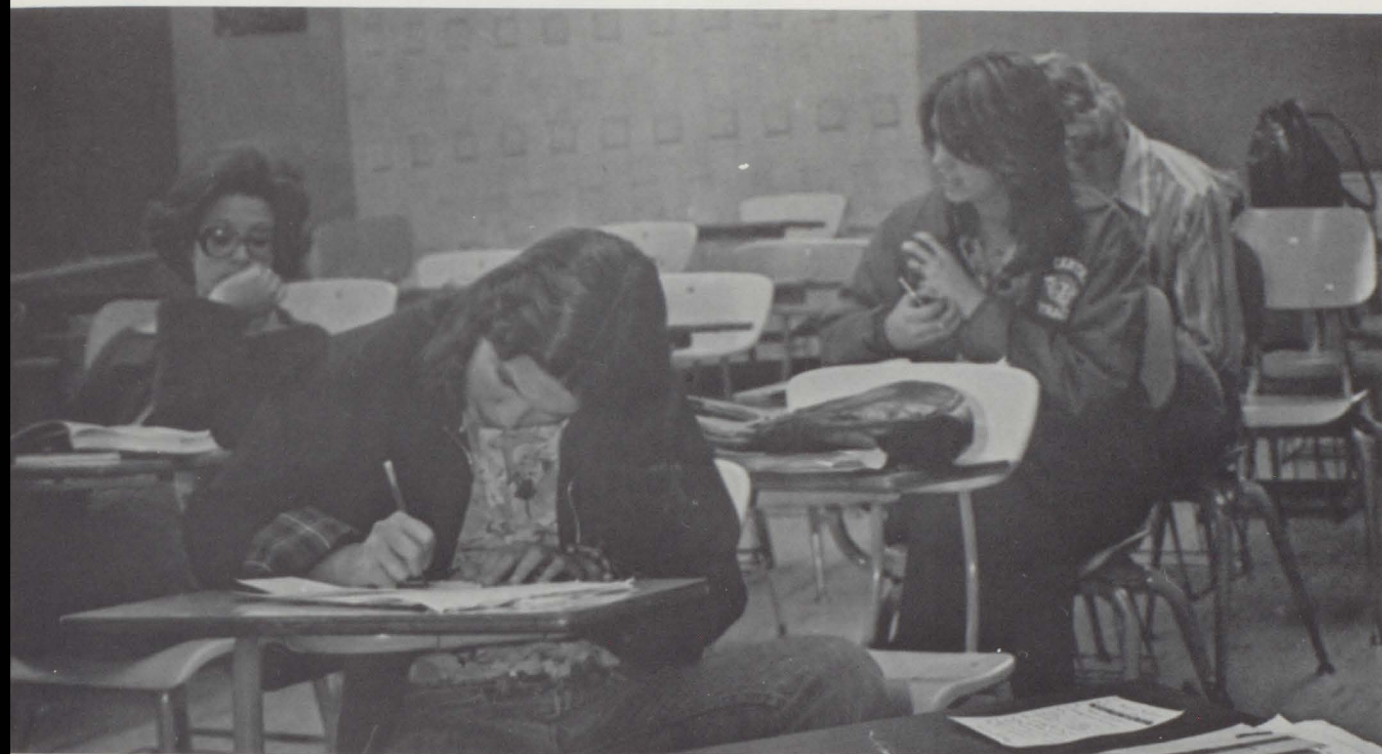

The 11 members of the Cougar Chronicle staff keep busy researching and reporting the news at P.H.S. They also are busy selling advertisements.

The paper is getting into the Bicentennial by the new masthead which they have added this year, designed by Mr. Rutkofske.

Again the Cougar Chronicle has been awarded the Quill & Scroll Newspaper Evaluation Service Award which was also won 2 years ago.

Spirited Students Make Student Council Work

This year Central students have helped Student Council to become a success. Participation in Homecoming Events added both spirit and wealth to the year. Helping to arouse a Bicentennial feeling at Central, Student Council purchased a duplicate of one of the first American flags. They rewrote the Student Council Constitution and sponsored many activities including the Record Drive, to collect records for a record playing system in the Library; The Magazine Sale, and all the Homecoming Events including the Assembly, Parade, Game, and Dance. It has been a successful year for Student Council and in turn, a successful year for Port Huron Central.

OPPOSITE PAGE, TOP RIGHT: Jan Richard (Pres.), Jamie Atfield (Tres.), Debby Johnson (Rec. Sec.), Kim Clark (Parliamentarian), and Don Fuller (Vice-Pres.), shared one of their extremely rare "lighter moments" together in a Student Council meeting. PAGE TOP RIGHT: Beth, Cindy, Sharon, and Beth end the routine the best they know how!

The Royalettes had been practicing new routines since the beginning of August and graduated from using just Pom-poms into using discs, clown outfits, and hats and canes. They practiced 3 nights a week until 4:30 and prepared themselves to perform the short routines that are harder than they seem.

They received a lot of help from their new sponsor Miss Kempker.

On Dec. 6th the Royalettes went to Sarnia with the band to march in the Santa Claus Parade. In May, they went with the band to Niagra Falls Canada to the Blossom Festival Parade.

The Honors Band is a very active and enthusiastic group. The students perform as a marching band during all home football games and as a Pep Band for all home Basketball games. In addition, the band has performed in the Blue Water Festival Parade, the Sarnia Christmas Day Parade and Last Year in the Miss U.S.A. Pageant Parade in New York.

Besides performing as a marching group the band also performed two concerts at the school in December and May. They also participated in the MSBOA District III Band and Orchestra Festival in March. The Honors Band ends the year by ushering the Seniors at Baccalaureate and Commencement Exercises.

Honors Band Strives For Better Sounds

Jazz Band Hits The Note.

Students in this group are members of the honors band. The workshop/ensemble meets as a daily class during which time students learn the fundamentals of jazz improvisation and prepare selections for concert performances. The ensemble participates in many different jazz festivals and concerts. This class and all the other band classes involve extra hours of hard work outside of the classroom and after school.

Kemp.

The cadet Varsity Band offers students a chance to strengthen skills on their primary musical instruments as well as develop new skills on secondary instruments. Emphasis is placed on developing sound performance fundamentals so that students can advance to the Honors Band. This group of students performs at two concerts at Central (December and May), one concert at Chipewewa and Bacalarreate and Commencement Exercises. In addition, some students are allowed to perform in the basketball pep band.

Flags, and Color Guards are a new addition to the band this year. The sponsor for the Flags is Mrs. Whitaker, and Mr. LaRowe sponsors the Color Guards. They performed with the band on the field, and also in the Santa Clause and Blossom Festival Parades. For the two beginning groups practice makes perfect, so they practice every chance they get. Let's wish our two new groups luck and success in the years to come.

This year they have sung several times at the Fogcutter, as well as entertaining PHC students and other area schools for assemblies. This group has made a fine name for our school and we should be proud of them for all the hard work and time they devote to singing. Their teacher is Mr. Krause.

The Mixed Choir is a training vocal group at P.H.C. that prepares singers for Acapella. It is composed basically of Freshmen who enjoy singing. The Mixed Choir sang in the "Christmas Near and Far" program as well as performing at the Michigan National Bank downtown, with proceeds going towards summer music camp scholarships.

Co-op Helps Education

The Cooperative Occupational Program (Co-op) is designed to develop students in their area of interest as well as earning wages and determining a students' suitability. A preparatory class has to be taken in the 11th grade to qualify for Co-op in his or her senior year.

There were 56 Co-op students this year. Mr. Miller was the Co-op Coordinator.

P.H.C. Gets Involved In Campus Life

Campus Life believes every Port Huron Central Student should have a chance for the balanced life. So often, the mental and physical is stressed and the spiritual part is completely forgotten. Meetings are held about every two weeks during the school year.

There were many funtimes like the Burger Bash, Ice Cream Olympics, and the Man Hunt. There are no dues or membership rolls. Any Central student is welcome. Dan Hendricks is our off campus help and Mrs. Henrietta Hobbs is the sponsor.

The officers for this year's Pep Club are as follows: First Semester--Pres. Kathy Tosch, Vice-Pres Val Weir, Sec.-Tres. JoAnne McCormick. Second Semester--Pres. Terri Voight, Vice-Pres. Val Weir, Sec. Tres. JoAnne McCormick, P.R. Man Clyde Taylor.

Bowling Strikes It Big

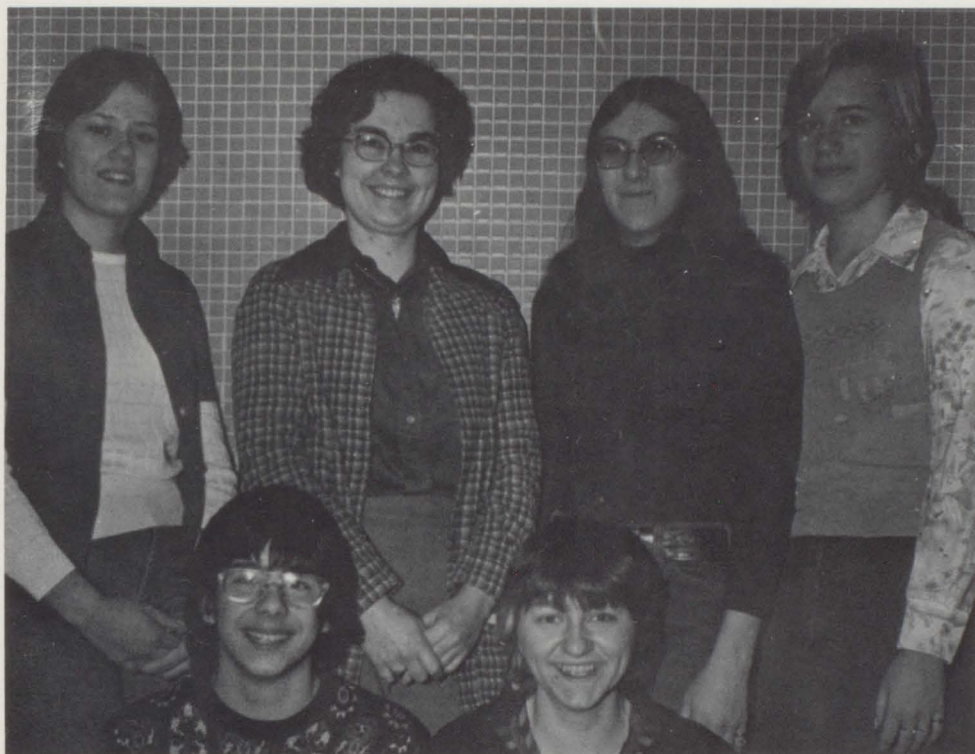

The Port Huron Central Bowling League has thirty-four members. It has been in existence for five years. There are ten teams in the area league and they bowl from October until May. They bowl at Blue Water Bowl once a week. At the end of the year our team plans to bowl the faculty and Port Huron Northern's bowling team.

The 1975-76 officers are: Dave Waun--Pres.; Cindy Curtis--Vice Pres.; Rodney Stein--Secretary; Doug Sharrard--Treasurer.

Student Speakers Represent PHC

The 1975-76 Debate Club started with novice debaters and also a new teacher, Miss Mary Van-DerZanden, and gained plenty of experience. They belong to the Southern Thumb Debate League and participated in tournaments once a week. Next year's Debate Club should be much better with the experience they now have.

Forensics is a club for public speaking. They also participate in tournaments. Ms. Ballard is working with this year's club.

Timettes Support Track Team

The Timettes support the track team in many ways. During the Cross Country season, the Timettes help take and record timings. During the track season the Timettes work at the track meets, running most of the events. In between the two seasons the Timettes sell programs and candy and raffle cakes at basketball games. The money is used for track equipment.

NHS Keeps Active

This year the National Honor Society started off with their annual car wash at Memorial Stadium. During the December Open House members ushered parents and relatives through the school. In late January they sold refreshments during exams. The money raised during the school year is used to give scholarships and grants to graduating seniors. Induction ceremonies for new members were held in April. Members are chosen by their character, scholarship, leadership, and service given in their years at Port Huron Central.

"Custer's Last Stand" was an important event in American History. The teachers of Central are also an important part of American History. They're helping to develop the Americans that will make future American History. When we leave Central we'll remember our teachers. No matter what or how they taught us, they planted within us a seed that will continue with us the rest of our lives. In this year of America's Bicentennial we salute you teachers of Central as we present to you, your part in "Central-1976."

Busy Secretaries Never Stop

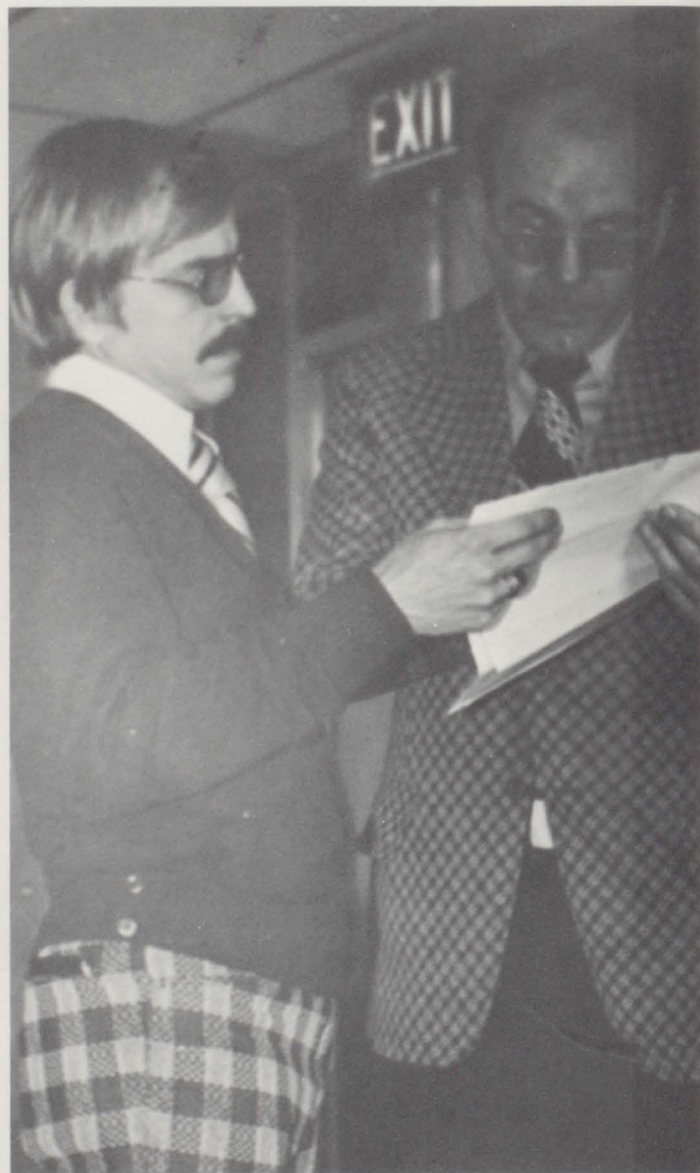

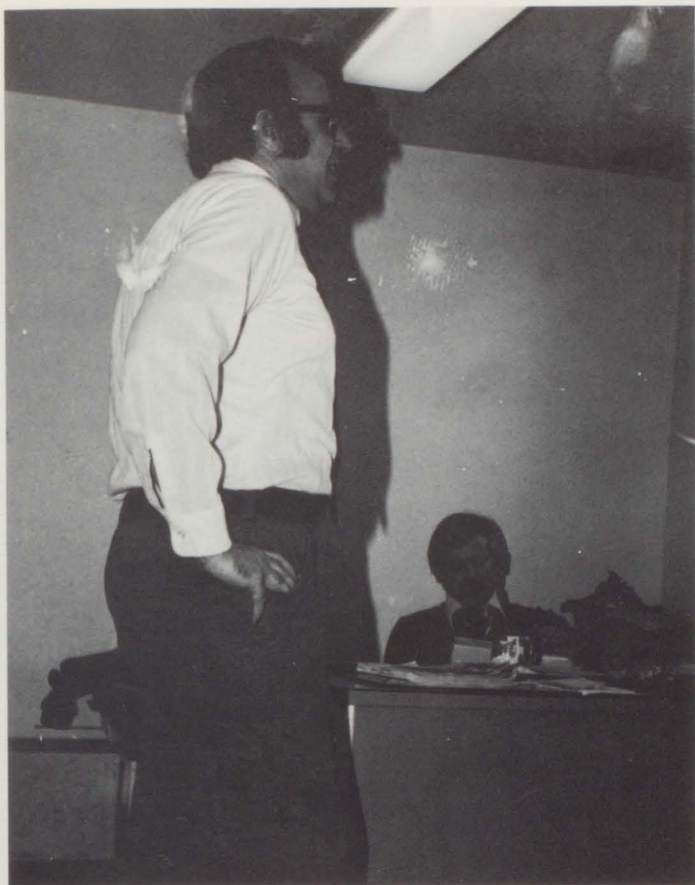

They say that behind every great man is a great woman--Mr. Pierce and Mr. Golds-worthy must be really great because of the great women that work behind them, answering phones, opening mail, arranging meetings and the various other duties which Secretaries perform. What would we ever do without Mrs. Willard, Mrs. McLeod, Mrs. Whitford, Karen Philippe, and Karen Jacobson?

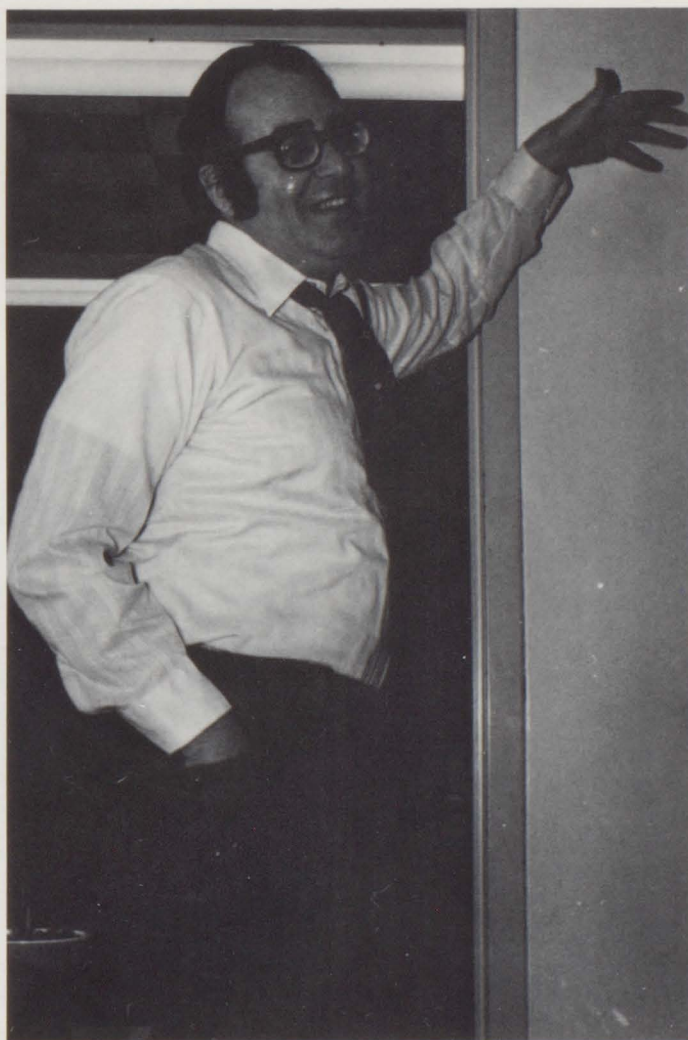

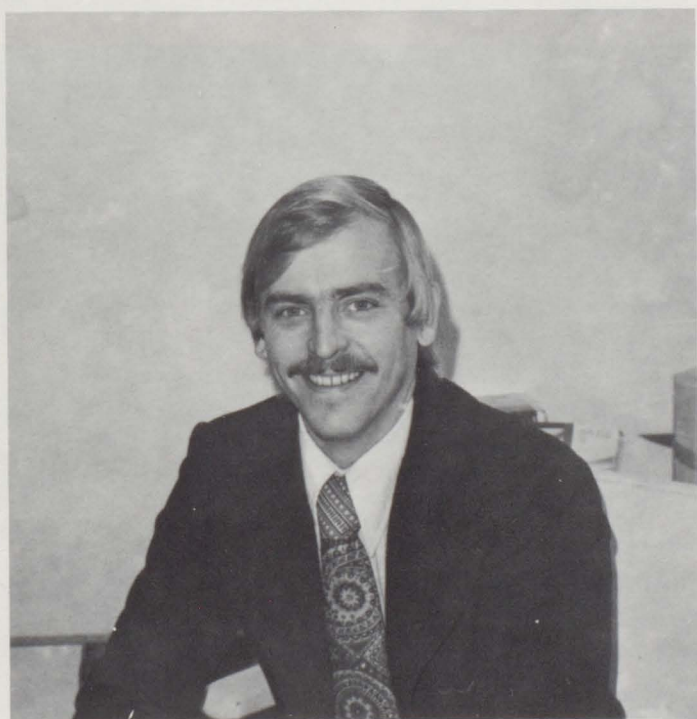

Principals Shape Up Central

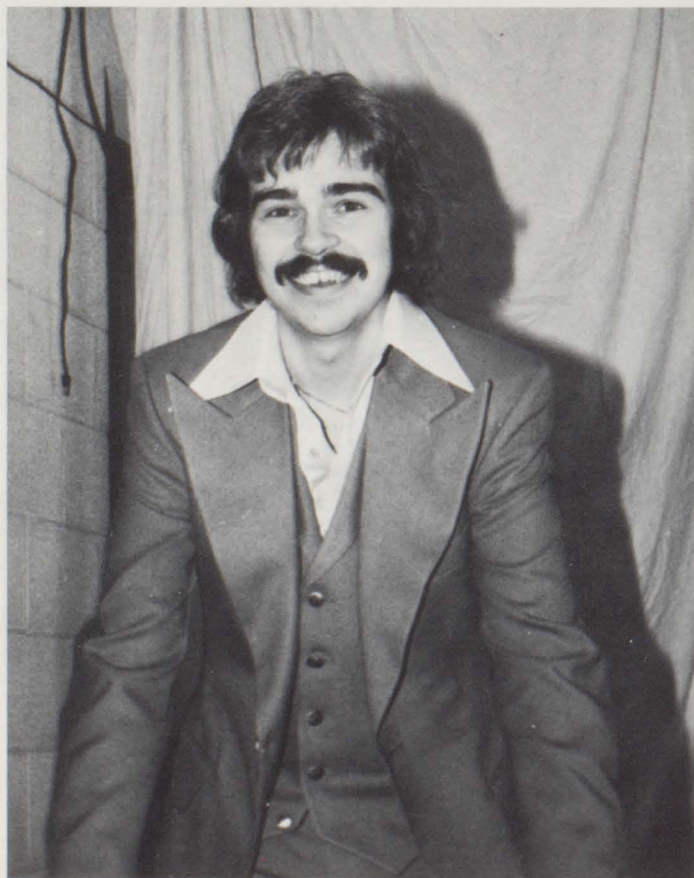

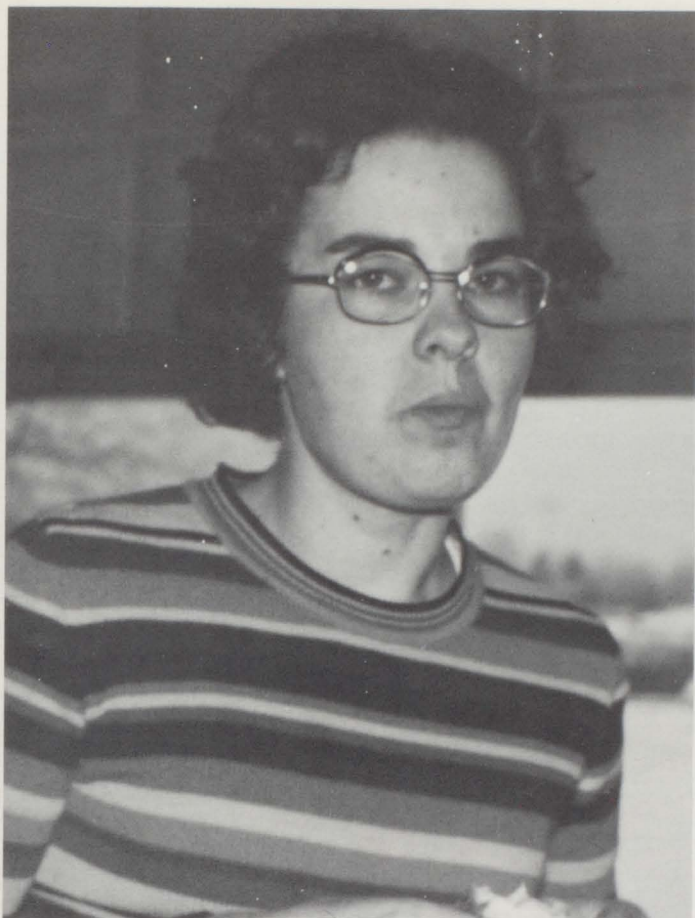

Mr. Pierce and Mr. Goldsworthy have been at Central since Central started and have come a long way with Central students and faculty. At first no students wanted to come to Central, but as time went on more and more students preferred Central to other Port Huron schools. Mr. Pierce said that school spirit has increased significantly, and compared to other schools in our area is tops.

Social Studies Makes School History

Central's Social Studies staff is one the students and administrators can really be proud of. They help us to learn how to adjust and handle some social problems outside of school. Besides teaching world events and problems they also teach us how to take what life dishes out.....Teachers: (Department Head) Mr. Dickinson; Mr. Young; Mr. Koerber; Mr. Meeker; Mr. Rutkofske; Mrs. Eastman; Mr. Clausman; Mr. Popa. Teaching isn't all the Staff does, they help make school history.

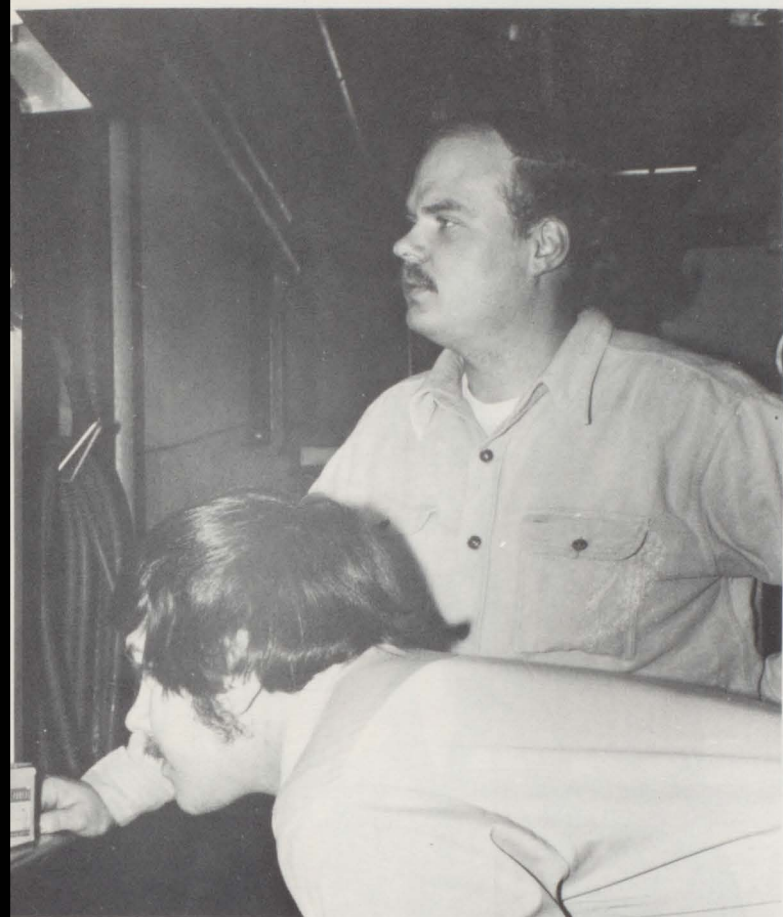

Science At Work

Our four Science teachers Mr. Christick, Mr. Kish, Mr. Nesbitt, and Mr. Spiess teach everything from Health Science to Physics. These teachers are always there to help you.

Cooks And Custodians Help Central Run Smoothly

If the Cooks and Custodians weren't at school every day doing their job our lives would be a lot harder. They are there to keep our school running smoothly.

The Central

In its own special way, Central High contributes to American History. Whether or not we all see ourselves in this picture, we are there. Maybe we are in front, maybe in back. Because no matter what you may think at times, we are all a part of Central. The Golden Spike signified the end of a long, hard, eventful drive towards America's future. Central's spike will be planted this year and for years to come. It may not be golden, but it will always cling to all of our hearts.

This year's 1975 Varsity Football team had a rough season. They all went through a lot and worked their hardest.

Football takes a lot of time, skill and the ability to keep going. Sticking in there when the going got rough. Well the rough got going because the Central Cougars had 3 victories. Three wins might not be much, but to the Cougars it means they didn't give up! The effort and practice paid off. Their overall standings were 3-6, and their league standings were 1-5. All in all this year has been challenging and rewarding for the Cougars.

The 1975 season saw the PHC Junior Varsity faced with the toughest schedule in four years. The rather dissappointing outcome didn't clearly illustrate the potential of this sophomore team. Individualism seemed to be the culprit as it broke down team unity, but it was by no means the victor. The final two games of the season saw the Cougars get back on the right track. The J.V. offensive record improved from the 1974 season. The 1976 football year looks bright if these upcoming sophomores keep the team spirit!

This year's freshmen football team had a 6-1-1 record, one of the best ever. They out-scored their opponents 168 to 41. The big key to their success was their ability to play good defense.

Coach Claseman thought that in the coming years, this freshmen team could be championship material.

The 1975-76 PHC Varsity Basketball team is as follows: Buddy Sutherland, Todd Hale, Dennis Cook, Pat Emlaw, Keith Vernon, Leonard Mattox, Jay Kovach, Marty Grace, Bryan Johnson, Ed Radske, Kirk Wilkinson, and Jim Swick. Rodney Stein and Dave Swarts are their Managers.

This season the Varsity Cougars worked their way up in the area league. With Mr. Jamison on the side and the fans in the bleachers the cougars received the support they needed to beat Marysville in a very close game. The cougars had a very close season, either winning or losing by just a few points each game. Bryan Johnson and Marty Grace had the most assists in games for this season. Senior Ed Radske had the most points in a game with 39, he also had the most points in a season and a career.

The J.V. Basketball Team suffered through a trying season with only a single victory to show for their efforts. However the character and determination shown by the players is made clear by the fact that they never stopped trying and played hard through to the last game. The final won-lost record is not indicative of the personal achievements and progress of the members of the team.

OPPOSITE PAGE TOP, Coach Crittenden gives encouragement to the team from the sidelines.

The 1975 - 76 Freshmen Basketball team learned early in the season from their mistakes. Team members realized that self respect as well as the desire to win was a must.

Guard Marcus Price has shown that he has a strong desire to play basketball, a willingness to work and a great deal of potential. Center Tony Norman, aided by forward Chris Pierce proved to be much of the strength the Freshmen squad needed to stay in most of the games. Guard Jack Helwig and forwards Gary Cesefske and Art Thornley showed much improvement and should be an asset to the J. V. team. The speed of Cliff Jackson may be the extra touch the Cougars will need for a successful year at the J. V. level.

Learning fundamentals and teamwork has been the Junior Varsity's goal. With the help of volunteer coach Aaron Hyde the team has been working very hard to meet these goals.

Various money making projects made it possible for many of the girls to attend summer basketball camp.

TOP ROW: Mrs. Hyde, Karen Ureel, Rhonda Papst, Mr. Hyde (Coach), Leslie Faulkner, Brenda Tosh. MIDDLE ROW: Arleen Overson, Dexter Chapman, Tammy Bodies, Terri Morgan, Gwen MacMillain. BOTTOM ROW: Annette Hutchinson, Julie Armstrong, Sherri Morris, and Julia Fogelsong.

The Girl's Varsity Basketball record of wins and losses is not very impressive, but the girls have worked very hard and have improved their skills. This year the girls held a 24 hour Bounce-a-thon that turned out to be a great success. Because of the time the girls spent out in the cold October night bouncing, most of the team will be going to summer basketball camp.

J.V. and Freshman cheerleaders are very busy all year round. They cheer, not only for football games, but also at basketball games. The advisor for J.V. cheerleaders is Mrs. Rutkofske and Mrs. Schott sponsors the Freshmen in their activities. Practicing is a very important part in a cheerleader's life and they practice twice a week. New uniforms are a major goal for next year's cheerleaders. To help them out this Year's cheerleaders are sponsoring many fund raising activities.

J.V. Cheerleaders, BOTTOM LEFT: LEFT TO RIGHT: Cheryl Fadell, Ann Reynolds, Tammy Randolph, Barb Kovach, Miriam Haeck, and Judi Sams.

Go! Go! Go!

Tennis Team Rebuilds At PHC

The 1975 tennis season proved to be one of total rebuilding as PHC lost 6 of 10 senior starters from the 1974 team. Central's record of 1-15, although dismal, did have one bright spot as PHC placed two players in the Regional Quarter Finals for the 2nd straight year. The 1975-76 team looks more experienced as Central's hopes fall on the shoulders of 5 seasoned seniors.
